TOWN WARRANT

STATE OF NEW HAMPSHIRE

(L.S.)

To the Inhabitants of the Town of Goffstown, in the County of Hillsborough, and in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the ninth day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

First—To choose all necessary officers and agents for the ensuing year, including a member of the Board of Selectmen for three years; also to bring in your votes on the question, "Is it expedient to revise the Constitution?"

Second—To see how much money the Town will vote to raise and appropriate for the Goffstown Public Library.

Third—To see what sum of money the Town will vote to raise and appropriate for maintenance and improvements in our cemeteries.

Fourth—To see if the Town will vote to accept State Aid for the construction of Class Two road, known as Shirley Hill Road, and to raise and appropriate or set aside for said purpose the sum of nineteen hundred ninety-five and $75/100$ (\$1,995.75) dollars, the State to contribute an equal sum, or will vote to accept State Aid for the construction of Class Five roads and raise and appropriate the sum of nine hundred forty-two and $38/100$ (\$942.38) dollars, the State to contribute three thousand seven hundred sixty-nine and $51/100$ (\$3,769.51) dollars.

Fifth—To see what sum of money the Town will vote to raise and appropriate for the maintenance and improvements at Barnard Playground.

Sixth—To see if the Town will vote to paint the outside of the Town House and raise and appropriate money for the same.

Seventh—To see if the Town will vote to have the interior of the Town House redecorated and raise and appropriate money for the same.

Eighth—To see if the Town will appropriate the sum of one hundred (\$100.00) dollars to build a dam to provide a safe skating place.

Ninth—To see if the Town will vote to raise and appropriate the sum of four hundred (\$400.00) dollars for White Pine Blister Rust control, to be spent in co-operation with the State Forestry and Recreation Department.

Tenth—To see if the Town will vote to install and maintain two hydrants on the River Road, so called, suitably placed, provided that the Goffstown Village Fire Precinct extend its water main westerly to the residence of Alonzo Gagnon.

Eleventh—To see if the Town will vote to purchase equipment for combating oil fires, and raise and appropriate money for the same.

Twelfth—To see if the Town will vote to allow its Selectmen to deed a piece of land purchased of Ellen M. Richards for the gravel, to Herbert J. Richards.

Thirteenth—To see if the Town will vote to authorize its Selectmen to borrow from time to time, as needed, certain sums of money in anticipation of taxes, not to exceed

in total at any one time the sum of _____ dollars, giving the Selectmen the right to renew said loans in anticipation of taxes as may be found necessary.

Fourteenth—To see if the Town will vote to authorize its Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.

Fifteenth—To see if the Town will vote to allow its Selectmen to renew the Bridge note, so called, held by the Hillsborough County Savings Bank, upon which twelve thousand (\$12,000.00) dollars was due January 31, 1937, at such times as the bank may require.

Sixteenth—To see if the Town will authorize the Selectmen to build an extension of the street already completed into Shirley Park, to a house or houses when such house or houses are built within said Park; such houses to conform to the restrictions and regulations of the Shirley Park Land Association.

Seventeenth—To see if the Town will vote to lay out and improve Moreau Street for a distance of five hundred fifty feet on the northerly side of the Mast Road, so called, and for the distance of one thousand feet on the southerly side. The location of this street is shown on the plans of Brooklawn Park and Libby Plat. Both plans are on file in the Hillsborough County Registry of Deeds. Also to see if the Town will vote to raise and appropriate money for the same.

Eighteenth—To see if the Town will vote to lay out and repair Libby Street from the Mast Road to the residence of Peter Bussier, and to raise and appropriate money for the same. Said street is shown on plan of Libby Plat on file in the Hillsborough County Registry of Deeds.

Nineteenth—To see if the Town will vote to lay out and improve Joffe Street for the distance of eleven hundred forty feet westerly from the Mast Road, and to raise and appropriate money for the same. Said street is shown on plans of Libby Plat and Libby Plat Annex on file in Hillsborough County Registry of Deeds.

Twentieth—To see if the Town will vote to lay out and improve Holly Street from College Road a distance of eighteen hundred forty feet to Heald Street, and to raise and appropriate money for the same. Said street is shown on plans of Pine Hill and College Hill on file in Hillsborough County Registry of Deeds.

Twenty-First—To see if the Town will vote to lay out and improve Eden Street southerly from Warren Avenue to Laurel Street, the distance about eight hundred feet, and to raise and appropriate money for the same. Said street is shown on plan of Pine Hill on file in the Hillsborough County Registry of Deeds.

Twenty-Second—To see if the Town will vote to lay out and improve Pine Hill Avenue for a distance of eight hundred feet westerly from College Road, and to raise and appropriate money for the same. Said avenue is shown on plan of Pine Hill on file in the Hillsborough County Registry of Deeds.

Twenty-Third—To see what action the Town will take relative to Daylight Saving.

Twenty-Fourth—To see if the Town will vote to raise and appropriate the sum of eight hundred (\$800) dollars, to be used in conjunction with Federal funds, if available, for the construction of a storm sewer on Church and Clinton Streets, or take any other action in regard to same.

Twenty-Fifth—To see if the Town will vote to raise and appropriate the sum of five hundred (\$500) dollars for the purpose of building a sidewalk from the cemetery to Parker's Station under W.P.A. project.

Twenty-Sixth—To hear the reports of agents, auditors and committees and pass any vote relating thereto.

Twenty-Seventh—To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-second day of February, 1937.

REPORT OF GOFFSTOWN VILLAGE
FIRE PRECINCT

Fire Wardens
and
Water Commissioners

REPORT OF W. A. PAIGE, CHIEF OF THE GOFFS-
TOWN FIRE DEPARTMENT, AND HIS ASSO-
CIATE FIRE WARDENS FOR THE YEAR
1936-1937

During the past year we have been both fortunate and unfortunate. Our forest fire bill and forest fires amounted to very little, but on the other hand our loss from houses and other buildings destroyed proved to be the most serious in years. In talking the matter over with the members of the Department I felt pleased that I could truthfully say to them, "Boys, whenever you had a ghost of a show to save property you proved that you were capable to do fine work." Even the insurance people on three different occasions have extended their congratulations on the fine stops the boys have made, viz:—Glen Lake, Karl Whitney's and the first fire at Mrs. Burns'. The last Burns fire was a roaring furnace before being discovered, and on reaching the scene over three thousand feet of hose was laid from a water hole, the pump was started, and the water had hardly reached the scene of the fire when some careless driver ran over the fire hose, breaking it in two places. We are not making any claim that we could have stopped this fire but in the future we are warning all motorists that they will be arrested on the spot if they drive their cars over fire hose.

We also had a long run of seven miles to reach Mr. Stanyan's buildings but both pumpers immediately got into action on reaching the scene, using 1,600 feet of hose. The barn was consumed but the house and other buildings saved.

Friends, at this moment we are confronted with a proposition, or rather condition, that must be attended to. Delay is dangerous. There are at present over 400 oil burners in operation in our town, and we have absolutely nothing with which to combat or extinguish an oil fire should one

occur. These burners are for a large part on property which brings in a large revenue in taxes and the danger of fire loss is very great. We are speaking to you of a very serious matter, seeking immediate action by the citizens of our town for some protection.

As Chief of the Fire Department, I sincerely thank each and every one of the firemen for their loyalty during my term in said office. I also want to thank the citizens of our precinct and town for their spirit of co-operation. I have tried to build up and maintain the department in a first class condition at the least possible expense. I shall always have a deep and sincere respect for the fireman and his hazardous duties from personal experience gained in 35 years of service.

However, I sincerely hope that the voters of the precinct will at their Annual Meeting in April elect some other person to my position. Don't misunderstand me, I have not lost my interest, but I feel as though I had done my bit for my town and fellow citizens. This position has grown so that it requires lots of attention, and one has to give up many trips and hours of pleasure if he attends to his duties properly.

Answered 48 calls for assistance.

REPORT OF HEALTH DEPARTMENT

The past year the Public Health Nursing Division has held in this town three dental clinics and one hundred and twenty-five children were examined.

Three Diphtheria Immunization Clinics held and ninety-nine children received treatment. Twelve Maternity Clinics with an average attendance of forty-five, and the State Nurses made one hundred and forty-five visits to patients in town. Fifty-one cases of measles, eighteen cases of mumps and two cases of diphtheria have been reported at this office. Once again I wish to call to the attention of parents the law which requires them to report any contagious diseases in their family direct to the Health Officer. Do not leave it to the doctor or School Nurse to make this report.

There was considerable uneasiness about the purity of the water for the West Village after the March flood and during the rebuilding of the reservoirs, but repeated tests showed that the water was "good" and most of the period "excellent," as reported by our State Chemist, and precinct citizens should now feel proud of their abundant water supply.

The milk supplied customers has improved in quality and no complaints have been registered against the large dealers, as they have all equipment necessary for producing and delivering quality milk, and endeavor to comply with all State regulations.

For those who prefer pasteurized milk it can now be obtained of local dealers.

It is hoped that proper bathing places will be established, for which there is great demand.

REPORT OF RECREATION COMMISSION FOR CARE OF BARNARD'S PLAYGROUND

The Playground Commission made an inspection tour at the Playground of the proposed project by the W.P.A. early last Spring. This work was successfully carried on under the direction of Harold Phelps and A. Kenneth Hambleton. The upper end of the pond was filled in, the pond as well as the brook leading into the pond was cleaned and the sides lined with rocks. A cement dam with filter was installed at the upper part of the pond where the brook flows into this body of water. A foot bridge was built over the upper dam. The lower dam was repaired, a new tennis court practically finished and water piped from Mast Road to the grandstand. The grandstand was repaired and repainted.

Alfred W. Poore was reappointed for three years.

The general supervision of the Playground was allotted the same as in the previous year.

The one hundred and seventy-fifth anniversary of the Town of Goffstown was celebrated at the Playground under the direction of the Chamber of Commerce. It proved a very fitting site for the setting of the colorful pageant in the evening as well as the various other activities during the day. The American Legion held their yearly Lawn Party here. Baseball games were enjoyed.

REPORT OF TRUSTEES OF GOFFSTOWN PUBLIC LIBRARY

A comparison of statistics with those of 1934 will show that our Library is increasingly useful to the townspeople. The gain in circulation is all at the main building, however, as the circulation at Grasmere showed a decrease averaging 7 volumes for each of the 24 afternoons that branch was open.

In accordance with a plan inaugurated last year for a systematic series of repairs, the woodwork on the outside of the building was painted last Summer. The walls in the stack room and delivery hall will be next to receive attention and it is planned to do some definite work each year, thereby keeping the building in good repair.

The only change made in the staff has been the election of Mrs. Laurie Carlton as substitute to replace Miss Emily Whipple, who entered Wellesley College last Fall.

Notable among the gifts received last year were five biographical volumes from Henry Munroe Rogers of Boston. Mr. Rogers, who is the oldest living alumnus of Harvard University, is a brother of Miss Lucy A. Rogers, who in 1888 gave a collection of 150 volumes which formed the nucleus of the Goffstown Library. At her request this institution was originally called the Rogers Public Library in honor of her father. Other gifts included ten dollars from the Unity Club for the purchase of books and 22 volumes of children's books from Shirley Club. To these two clubs and to the other organizations and individuals who have made gifts to the Library the Trustees wish to express their sincere thanks.

REPORT OF CEMETERY TRUSTEES

In submitting our annual report the trustees are pleased to note that the citizens of the town continue to manifest their interest in the upkeep of our cemeteries, the sum of seven hundred and fifty (\$750) dollars having been contributed to the perpetual care fund during the year.

At Westlawn the filling of the ravine has been completed, adding much to its general appearance.

At Hillside cemetery there should be more lots laid out and a driveway constructed, making the lots easier of access.

At the cemetery on Shirley Hill the additional land donated by the estate of the late Shirley M. Johnson should be enclosed by a stone wall, thereby carrying out the agreement with the donor of funds left for that purpose.

To the superintendents we wish to extend our thanks for their co-operation in keeping the cemeteries in a high standard of maintenance.

SCHOOL WARRANT

INDEPENDENT SCHOOL DISTRICT

To the inhabitants of the Independent School District of the Town of Goffstown, in the County of Hillsborough, State of New Hampshire, qualified to vote in the district affairs:—

You are hereby notified to meet at the Town House in said district on Saturday, the sixth day of March next, at 7:30 in the evening, to act upon the following subjects:

1. To elect a moderator, a clerk, a member of the school board for three years, a treasurer, auditors, and any other officers necessary to conduct the affairs of the district.
2. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual budget.
3. To see if the district will raise and appropriate a sum of money for the establishment of a manual training course in High School or pass any act in relation thereto.
4. To see if the district will vote to adopt the medical inspection act, and raise and appropriate money for carrying out its provisions.
5. To hear reports of auditors, committees, or officers heretofore chosen, and pass any vote in relation thereto.

6. To transact any other business that may legally come before said meeting.

• Given under our hands and seal this 17th day of February, 1937.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Goffstown Independent School District:

The present year brought one new member to the teaching staff. Miss Priscilla Noddin, an alumna of the University of Maine, is now teacher of English, having all of the English groups in high school. Miss Noddin had previous successful teaching experience.

Miss Dorothy Soule resigned as teacher of Grades I and II, and is Music Supervisor for all vocal and chorus work excepting grades seven and eight.

Clarence Avery continues with the orchestra. If it were possible to conduct a "Junior" Orchestra for pupils in the upper elementary grades, it would increase the value of instrumental instruction. Besides its training for the individual, it would give better qualified material for the High School Orchestra upon entering high school.

Miss Emma Gordon has resumed direction of grades one and two. The enrollment for the current year is as follows:

Low Primary Room:

Grade I, 21; II, 7; total.....	28
--------------------------------	----

High Primary Room:

Grade III, 22; IV, 22; total.....	44

The "single session" for grades seven and eight and High School is being followed this year. One consideration which led to this plan was the fact that almost half of the high school, and a number in the grades were already, of necessity, bringing their lunches. This number is about sixty. With the old schedule about an hour and ten minutes were allowed for the lunch hour. Those who went home some distance needed this time for going and coming and lunch. However, the sixty that brought lunches ate in about fifteen minutes—although they could take as long as they liked. This meant that for almost an hour these sixty were just "killing time." They cannot be required to go to "home rooms" and "study" or "be quiet." During winter months, when outdoors is frequently not possible, these pupils had a long, restless, useless period. Now, it can be said, that with teachers in charge they could be kept in control. But just keeping pupils "in control" is a hard task for the teacher, and not a profitable one for the pupils. The single session allows ample lunch time for everybody, giving as many minutes as they would probably use if they were at home for lunch.

Under the two-session set-up, school closes about 3 P.M. Getting out on the single-session at 1:30, there is time to plan for conference periods with parents in the afternoon after classes. All teachers are in their rooms until 3 o'clock and frequently an hour or more later. Parents are urged to come in, to talk over the pupil, his work, and plans. The pupil, too, can be a "party" in the conference. It has been a source of satisfaction to find this year a number of parents who are doing just this.

The single session allows time for play rehearsals, basketball practice, and other extra curricula activities to be carried on in the afternoon.

During the school year, on Thursday evenings, a Public Forum has been carried on. The speakers have been from college or university or professional life, men of information, experience, travel, study and varied contacts. Without bias or prejudice or political coloring, they have presented current questions—not “questions settled and laid away”—but present, bristling, propositions of economic, political and international life, for which the country’s leaders have to attempt to find a solution. The attendance at these gatherings does not indicate much interest. There is a small group that has followed these from the beginning and desire that these discussions be continued. This all depends upon the people here. Evidently many have given it no thought. But the people here have probably never had a series of “talks” and discussions of the quality of these, and do not realize the opportunity right at their door. These meetings are for adults rather than pupils.

There have been forty-seven different tuition pupils enrolled in High School this year.

No one knows the failures and weaknesses of the school better than those of us who are close to the daily procedure. Suggestions are welcomed and constructive criticism is always in order. We repeat again the wish that more

parents would come in to the daily sessions and become personally informed. Schools, like all other things, have changed and are changing. There really can be no such thing as a perfect school, unless it be one that is willing constantly to modify its practices and adapt itself to changes in social and industrial conditions, and give more attention to the individual.

In education as in all fields of endeavor there have been pioneers. One of the greatest of these in our own country was Horace Mann. One hundred years ago, 1837, Massachusetts enacted a law which created a State Board of Education. Horace Mann was elected Secretary of this Board, carrying on a work which laid the foundations of the free public school system which prevails in our land. His creed was: "free public schools, supported by all for all."

The quotation below gives expression to his faith in education—

If Ever There Was a Cause,
If Ever There Can Be a Cause
Worthy to be Upheld by All
Of Toil or Sacrifice That the
Human Heart Can Endure, It Is
The Cause of Education.
The Common School Is the Greatest
Discovery Ever Made by Man.
A Patriot Is Known by the

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Goffstown School District:

While the years of so-called "Depression" have taken some activities and businesses "off the map", it has not worked out that way with the schools.

The school census taken each September, including children between the ages of 5 and 16 years, recorded 474 in 1926. Ten years later in 1936 the census revealed 577. The number of different pupils enrolled in your public schools in 1926 was 168. In 1936 there were 293. The increase may have been slow, but it has continued steadily. If the industries of Manchester get under way as they appear to promise now, this increase will probably speed up.

The enrollment for the present year to date follows:—

Barlett Grammar, grades 7 and 8	41
Barlett Intermediate, grades 5 and 6	34
Bartlett High Primary, grades 3 and 4	28
Bartlett Low Primary, grades 1 and 2	29
Bartlett Special Group	15
Grasmere Grammar, grades 5-8	41
Grasmere Primary, grades 1-4	32
Parker, grades 1-8	26
Shirley Hill, grades 1-8	22

Total of all 268

The average cost for each elementary pupil in the state last year was \$77.93. In this district it was \$63.67. This cost includes books, supplies, insurance, instruction and the per capita tax of \$2.00 per pupil.

The total number of different pupils in high schools this year has been:

Manchester Central	16
Goffstown	48
	—
	64

Considering the number of those who graduate this year and the number entering as freshmen next September, the total number in High School will probably be about the same. The following will graduate from Goffstown High School in June:

Raymond Beetz	Annie Kiriluk
Ruth Cross	Ruth Parker
George Dawson	John Schrepfer
Eileen Hadden	Eleanor Story
Edna Hartigan	Violet Williams

The evening classes conducted at the Bartlett School by Charles Crossett have continued. All who have attended faithfully have found help in the use of English. Many have worked for their naturalization papers. There are now three Registrants. Thirteen are Petitioners or working for the "Second Papers." Twelve are applicants for their "First Papers." Seven have completed all requirements and have become citizens.

The public schools of today are taken as a matter of course. They are considered a source of heavy expense, and sometimes thought to yield a questionable return. They are far from perfect, managed and directed by men and women who are imperfect, and with pupils, almost, but not quite, perfect. But the idea underlying these schools, schools supported by public funds for all children, had to be fought for. It did not just happen. One of the pioneers of "schools for all, paid for by all" was Horace Mann. One hundred years ago in 1837, the

Legislature of Massachusetts created "a State Board of Education", and Horace Mann was appointed Secretary. From his vantage point he waged successfully the struggle for "free schools for all." Horace Mann's belief in education is given here by himself.

If ever there was a cause,
 If ever there can be a cause
 Worthy to be upheld by all
 Of toil or sacrifice that the
 Human heart can endure, it is
 The cause of education.
 The common school is the
 Greatest discovery ever made
 By man.
 A patriot is known by the
 Interest he takes in the
 Education of the young.

Horace Mann

For the cooperation of many people, the School Board, and the teachers, I express once more my sincere appreciation.

Respectfully submitted,

J. BYRON TARNEY,
Superintendent of Schools.

REPORT OF THE SCHOOL BOARD

GOFFSTOWN TOWN SCHOOL DISTRICT

The Supervisory unions of the Goffstown Town District was held, by invitation, at the Goffstown High School, when Mr. J. Byron Tarney was re-elected Superintendent.

The amount due from our district to the State Treasurer's office this year will be \$776.00, for 388 pupils at the rate of two dollars for each pupil enrolled—an increase over last year of \$92. Last year there were 342 pupils (46 pupils less), at \$684.00.

During the year improvements were made on the furnaces at the Bartlett School, also minor repairs, such as cement steps at Grasmere, painting improvements, not covered in our minor repairs and expenses, in our estimates.

Regarding our special item of \$200 voted at the last school meeting for increased insurance at the Bartlett School: The Board wishes to thank Mr. William Eaton of your Board, for his effort in securing quite a saving to the district by pooling our insurance on the building and securing a decrease on premiums and increasing the amount from \$16,000 to \$25,000.

There has been no change in the number of special districts in the state, and there still are ten districts left.

The salary increase to our Superintendent, voted by the Supervisory Union, is not only for his increasing value of service, but an appreciation of increased cost of travel in-

volved in the larger union. It might be of interest to the voters to know that Mr. Tarney is entering into his fifteenth year as Superintendent.

In conclusion, again the Board wishes to acknowledge the faithful work and cooperation of its Superintendent, teachers and parents.

Respectfully submitted,

RAYMOND C. GREER,
Chairman of the School Board.
